ANNOUNCING THE BOGLIASCO FALL 2023 AND SPRING 2024 FELLOWSHIP AWARDS

We are pleased to announce the awardees of this year's Bogliasco Fellowships - a group of 60 artists and scholars representing 13 disciplines, 17 countries, and 5 continents. These exceptional early, mid, and late-career individuals, who range in age from 32 to 77, will develop projects during five-week residencies beginning in September 2023 and ending in late May 2024.

Enormous thanks to this year's 50 panelists and 8 Oversight Committee members from all the disciplines represented who were involved with selection: a careful peer review process that becomes more challenging each year as the number of applicants steadily increases.
