BOGLIASCO CENTER FALL 2024 FELLOWSHIPS

We are pleased to announce Bogliasco's Fall 2024 Fellowship awardees – a group of 26 artists and scholars representing 12 disciplines, 9 countries, and 4 continents. These exceptional early, mid, and late-career individuals, who range in age from 31 to 78, will be divided into 3 distinct cohorts, developing work during month-long residencies between September and December.

Enormous thanks to this year's 34 panelists and oversight committee members from all the disciplines who were charged with selection: a careful peer review process that becomes more challenging each year as the number of applicants steadily increases.
