## **BOGLIASCO CENTER SPRING 2025 FELLOWSHIPS**

We are pleased to announce Bogliasco's Spring 2025 Fellowship awardees – a group of 33 artists and scholars representing 13 disciplines and 13 countries. These exceptional early, mid, and late-career individuals will be divided into 4 distinct cohorts, developing work during month-long residencies between January and May.

This year, we are particularly grateful for the careful work by our selection panelists and oversight committee members, who had to make extremely difficult choices in an application round that saw a record-breaking number of candidates.
